TERMINATION OF STATE OF EMERGENCY FOR NEW CASTLE, KENT AND SUSSEX COUNTIES

WHEREAS, on Wednesday March 21, 2018, the State of Delaware experienced a severe winter storm with heavy snowfall and high winds, resulting in decreased visibility and other road conditions that made driving dangerous and created potentially life-threatening conditions; and

WHEREAS, in light of the foregoing conditions, I declared a State of Emergency on Wednesday, March 21, 2018 at 12:00 a.m. E.S.T.; and;

WHEREAS, although cold temperatures and high winds remain, the winter storm that resulted in snow and decreased visibility has passed; and

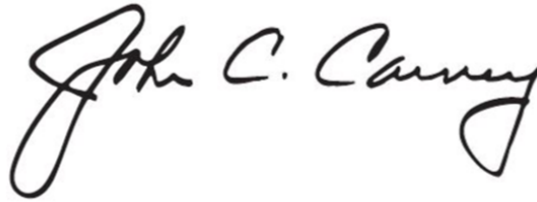

WHEREAS, through the significant efforts of the Delaware Department of Transportation and state and local emergency responders, travel on many Delaware roads is possible again, although not all roads may be passable and motorists should exercise extreme caution; and

WHEREAS, the foregoing emergency has been dealt with to the extent that conditions necessitating a State of Emergency no longer exist.

NOW THEREFORE, I, JOHN C. CARNEY, do hereby declare that:

1. My declaration of a State of Emergency for the State of Delaware dated Wednesday, March 21, 2018 at 12:00 a.m. E.S.T. is hereby terminated as of Thursday, March 22, 2018 at 12:00 a.m. E.S.T.
2. Pursuant to 20 DEL. C. § 3116(a)(11), the Delaware National Guard shall continue to provide necessary assistance to state and local authorities, at the discretion of the Adjutant General or her designee.
